

HOTEL & RESORTS

Attracting customers to hotel and resorts is always easier when you ARE the attraction. Building an attraction at your hotel or resort is a proven way to sell more food & beverage, fill hotel rooms and increase weekends, holidays and shoulder seasons resulting in a stronger bottom line. Whether your property is a small budget hotel with 80 rooms with a small slide in a standard pool area or a full blown resort with 100,000 sq. ft park – you have created a reason for families, parties and gatherings to choose your hotel over your competition and you won't look back. Check out the sampling of small to large Hotel installations Waterfun Products has created and can create for you.

Waterslide Package:
Ultra Flume

WINGATE HOTEL

EDMONTON, ALBERTA, CANADA

The plans featured a waterslide integrated into the building architecture, an innovative pool shallowing out into a kiddy pool area. The shallow depth kiddy pool is enhanced with air entrained floor jets and a custom made interactive mushroom fountain.

Mechanical Design | Structural Design | Water park amenities | Waterslide | Play Items | Wave pool equipment | Installation Services | Project Management & Commissioning

WINGATE HOTEL

Full Surf Wave Pool System

MANDALAY BAY

LAS VEGAS, NEVADA, USA

Mandalay Bay celebrated its grand opening in March of 1999. Located at the south end of the Las Vegas strip, Mandalay Bay's signature attraction is its surf and beach water playground. The wave pool designed and supplied in conjunction with Murphy's Waves of Scotland is a massive, 41,178 square feet of water and is surrounded by a three-quarter mile river. The waves are adjustable up to six feet in height and can accommodate body boards and surfers. The grounds are appropriately landscaped with lush vegetation, mystical architecture and soothing waterfalls creating a relaxing, tropical environment.

Interactive Water Playground

RAMADA SUITES WATERPARK

LETHBRIDGE, ALBERTA, CANADA

The premise behind this new concept design, was to provide exciting, value-added attractions to the family travel market. The park maximizes the use of interior space & features two significant slides, therapy pools, water exercise equipment, a mini wave pool, hot spa pool, kiddy pool, interactive play structure & a lounge deck. The project is a fully themed medieval port village with artificial rockwork, waterfalls, 3 wall murals, specialty lighting, surface treatments & theme elements. The Ramada Indoor waterpark has set a precedent for an expanding market opportunity in hotel/motel developments.

FAIRMONT RESORT & TIME SHARE

FAIRMONT, BRITISH COLUMBIA, CANADA

As an amenity addition to their time share resort, resort managers prepared a development plan for adding a water park attraction. Waterfun Products was engaged to assist in the development plans, providing planning, ride design and structural engineering services to the project. Waterfun Products also provided ride manufacturing, installation and commissioning services to the development. The water park amenity was operational for the 2004 season, providing a popular attraction to the resort membership.

FAIRMONT RESORT & TIME SHARE

WATERPARKS

Many theme parks have seen the excitement and interest waterparks have created in the past 30 years and have jumped on board with a waterpark section in their parks. Large or small, waterpark owners are pushing the boundaries of creating safe, fun and exciting entertainment for the whole family. Whether seeking the enjoyable float down a lazy river or the thrill dropping off the sidewinder or big slide, waterparks truly offer something for the whole family. Go ahead and be inspired!!

Waterslide Package:

Surfhill Racer

Super Flume

ASAN SPAVIS

SEOUL KOREA

Spavis located in Asan is water park resort accommodating up to 3,000 people and contains both indoor and outdoor spa facilities. Through all seasons outdoor facilities offers open-air spa pool, while indoor facilities offer many health benefits such as 7-8 water physiotherapy facilities including the Bade Pool. Moreover, leisure facilities such as family pool, jasmine pool, cave pool, sauna, health promotion center and 35583 sq. ft. area of outdoor swimming pool are popular. Asan Spavis is a major water park themed on hot springs, with indoor and outdoor facilities. In 2008 Waterfun Products and Lohas Corp teamed up to add on 4 lane double Surfhill Racer, Ultra Flume and Superflume to the waterpark.

WILD WILD WET

NTUC, SINGAPORE

Through several years and numerous concepts of development planning Waterfun Products prepared the master development plan for a 8 acre water amusement park as a compliment to the adjacent dry water park and vacation destination developed by the Singapore Nation Trade Union. Waterfun Products worked with Melchers Project managers and Europools of Glasgow Scotland to prepare the construction documents for the park development.

Waterfun Products provided further assistance in engineering the preparation of steel fabrication drawings for the structures and supports, supplied the various rides and play elements, provided installation services, commissioning and training.

Master planning | Structural engineering | Mechanical engineering | Product Management | Wavepool installation.

People Eater

RIO WATER PLANET

RIO DE JANEIRO, BRAZIL

Rio Water Planet is possibly South America's most beautiful water theme park. Located on the outskirts of Rio de Janeiro, the park is constructed utilizing as much of the natural landscape as possible. Sixteen waterslides plummet off the mountainside to the valley below. A chair-lift conveys patrons to the top of the mountain where they can choose from a variety of exciting ride experiences.

The rides include three thrill rides, a six-lane Surfhill Racer, a Giant People Eater Family Raft Ride, a 4-Person In-Line Boat Ride, four inner tube rides and two Kiddie slides. A giant wave pool highlights the valley floor, with the wave generator also producing waves leading to the Action River, which winds throughout the park.

ALABAMA ADVENTURE

BIRMINGHAM, ALABAMA, USA

With the acquisition of Alabama Adventure Waterpark the new ownership headed by Southbrook Entertainment of Hollywood California, sought the services of Waterfun Products to assist in planning new feature attractions to enhance and add membership and attendance to the park. Waterfun Products assisted in planning a new 25,000 square foot wave pool and beach attraction to the park as well as a new feature speed slide - 2nd aqua drum. The location of the features was planned to fit within the variable topography of the site. The rides and features were opened for the 2003 season with a second body bowl ride and pool being added for the 2004 season.

CHULA VISTA RESORTS

WISCONSIN DELLS, WISCONSIN, USA

Waterfun Products was engaged to provide design, planning and ride provision to the multi million dollar outdoor water park addition to their existing indoor resort waterpark. Ride addition includes a two lane Surfhill Racer, Bullet Flume Speed Slide, Sidewinder MK1 and the new Backlash two man boat ride.

"The speed slide extends off a 60 foot elevation and plunges into the run out in less than 6 seconds making it one of the most popular rides in the park" says General Manager Mike Kaminski.

Mechanical design | Structural design | Water park amenities | Waterslide | Play items | Wave pool equipment | Installation services | Project management & Commissioning

CHULA VISTA RESORTS

3 Super Flumes

BEACH BEND PARK

BOWLING GREEN, KENTUCKY, USA

Waterfun Products was retained to design, engineer, manufacture and install a three slide waterslide tower complex at the Bowling Green Racetrack and Amusement Park Development. Waterfun Products also provided consulting services for layout, play structure, pools and general park circulation.

The development was strategically located and designed to fit within the site configuration, preserving a number of important and significant site trees.

The park attraction was commissioned in spring of 2004 for summer 2004 operation.

Master planning | Site design | Mechanical engineering | Pool design.

NEW YUAN MING PLACE WATERPARK

ZHUHAI, CHINA

Located next to the gambling and resort attractions of Macao, New Yuan Ming Palace is just one hour by boat from Hong Kong. South China's first themed waterpark opened to enthusiastic visitors in July of 1999. The park is constructed around an existing component of the New Yuan Ming Palace, which is a historical theme park designed around Beijing's Yuan Ming Palace, built during the Ching Dynasty. Waterfun Products utilized the expertise of their manufacturing facility in China to construct and install a four lane Surfhill Racer, a Big Splash Boat Ride, two Superflume Twister slides and two heart-stopping speed slides. Amidst the extensive "Lost City" theming package is a 45-meter (148-foot) manmade waterfall, a duplication of the Forbidden City Palace and a replica of a portion of the Great Wall of China.

Structural Engineering | Mechanical engineering | Design | Installation | Project Management; Filtration systems | Waterslide manufacturing.

NEW YUAN MING PLACE WATERPARK

Waterslide Package:

Surfhill Racer
Big Splash River Ride
Double Superflume Twister Inner Tube slides

AQUALAND WATERPARK

SANTA CRUZ, BOLIVIA

Aqualand Waterpark is designed as a major destination resort development for Santa Cruz, covering an area of over 40 acres. Plans for the development include a multi-phased waterpark, entertainment facilities, resort hotel, restaurant, night club, dry recreational facilities & other retail land uses. In the first phase implementation of the project provided a full range of waterpark rides & services for the development prior to its scheduled opening in the fall of 2002.

Waterpark construction included a combination 3-tube slide complex, Family Raft Ride, drop slide, 2 Kiddies' areas with themed slides, a 30 meter Wave Pool & Lazy River.

Future ride complexes include a twin Vortex thrill ride, four lane Surfhill Racer, twin 4-man In-Line Boat Rides, a Sidewinder MK-1 integrated into large splash pools & the lazy river.

Master Plan | Building Layouts & coordination with local Architect | Waterpark construction Drawings | Structural engineering | mechanical engineering | Project management, Waterslide & steel fabrication & supply | Wave pool & play equipment supply | Installation services

Waterslide Package:
Play Structure

CIPUTRA

CIPUTRA, INDONESIA

Ciputra Water park is located in Surabaya, the second largest city in Indonesia & is fully themed on the legend of Sinbad's Adventures as seen with the tent gazebos, sculptures, landscapes and lots of architectural details in it's buildings with bright, cheerfull, and festive colors. Opened in August 2005, Ciputra water park has become Surabaya's most famous family attraction with a record attendance of 5,600 people in a single day (the daily max is 6,000). The water park hosts a varied range of rides & pools such as baby & children specific pools, Sinbad play structure, an Waterfun Products wave machine generating the fun in the wave pool, lazy river . The Waterfun Products slides are guaranteed to thrill riders with its impressive drops & curves.

Mechanical design | Structural design | Water park amenities | Waterslide | Play items | Wave pool equipment | Installation services | Project management & Commissioning.

Waterslide Package:
4-Person In-Line Boat Ride
Aquawiz Body Slide

PHARAOH'S LOST KINGDOM

REDLANDS, CALIFORNIA, USA

Waterfun Products was contracted once again to add design creativity to provide a solution that was easily adaptable to an existing waterpark development. A four-person In-Line Boat Ride was required to augment an existing waterslide package at Pharaoh's Lost Kingdom waterpark. Utilizing the existing platform, the In-Line Boat Ride was added to a 60-foot high platform and a super thrilling, AquaWhiz body slide was built from the top level at 85 feet. The result is two of the industry's most breath taking, visually appealing and talked about attractions. The two attractions, suitable named Anileator and Pharaoh's Revenge, can be easily recognized from Interstate 10 in Redlands, California.

Design & engineering | Waterslide manufacturing | Structural steel manufacturing | Project management | Installation

PHARAOH'S LOST KINGDOM

Waterslide Package:

4-Person In-Line Boat Ride
Superflume Inner Tube Slide

WILD RIVERS

IRVINE, CALIFORNIA, USA

Waterfun Products provided the popular, 4-Person In-Line Boat Ride. Rising 67 feet above the ground, the “Patriot” with its red, white & blue signature markings, is a visual icon. Four person rafts are conveyed from the deceleration area up the Waterfun Products conveyor system to the platform above. At the platform, the rafts are loaded with anxious guests, who eagerly anticipate the exciting, 650-foot trip down. The “patriot” is a new, major regional attraction of Waterfun Products at Wild Rivers. In 1997, Waterfun Products designed & supplied the “Chaos”, a fully themed tube ride which continues to be one of the most successful attractions at Wild Rivers. Subsequent to the installation in 2002, Waterfun Products provided a second set of signature rides in the park in the form of twin bowls. The rides are highly successful & have been featured in the reality TV show **The Bachelorette**.
